Dear Mr. Keel:

Proposed Bradbury Annexation to  
the City of Hawthorne

At the meeting held August 14, 1963, the County Boundary Commission reviewed the boundary description and map submitted by Mr. P. N. Scott, Director of Public Works, with his letter of July 26 for the proposed annexation of territory to the City of Hawthorne.

The boundaries submitted conform with record lines. No island of unincorporated territory is created by the boundaries. However, the boundaries will create a corridor of unincorporated territory consisting of a portion of 115th Street. Such street corridors are prohibited by Section 35002.3 of the Government Code.

The Commission approved the boundaries for the proposed annexation as submitted as to definiteness and certainty only in accordance with the provisions of Section 35002 of the Government Code. A copy of the approved description and a list of special districts involved are enclosed for your file.

Very truly yours,

GORDON T. NESVIG
